Still waiting on a few additions on the 1 pager. In the interim, I have three other items below. 1) responses to Charlotte's questions are below (also mostly discussed this morning); 2) the registration decision, with the specific language on the expiration date highlighted below; and 3) updated state restrictions 1-pager per Nancy's request to clarify what a 24c is and more clearly identify the state specific restrictions.

Thanks! The edits look really good. Couple of additional comments; For the bullet below let's Deliberative Process / Ex. 5
Deliberative Process / Ex. 5

- # Deliberative Process / Ex. 5

Finally on the next steps bullets – it would be helpful to Deliberative Process / Ex. 5

Agree. I think we need to see that data that bullet is based on. If we can't get that information quickly the bullet should be deleted.

I'll try to tackle the first question but get responses from OPP for the others.

Thanks. I haven't looked at the attachments yet. But on the main briefing document I find the intersect of bullets three and four confusing.

Deliberative Process / Ex. 5	?	Deliberative Process / Ex. 5
------------------------------	---	------------------------------

from?

Deliberative Process / Ex. 5	?	Deliberative Process / Ex. 5
------------------------------	---	------------------------------

Deliberative Process / Ex. 5	Can you get the
------------------------------	-----------------

data from OPP that we are using for that bullet and what they are comparing it to from last year? Need numbers and sources. Thanks
